4. Attention is drawn to the following rules:—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Commissioner.

(5) *Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination annulled and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.*

(6) *No candidate will, on any account, be allowed to take into the examination room ink, slates, books, ruled sheets, manuscripts, or papers of any kind.* Any one detected in the violation of this rule, or having recourse to any unfair practices, will be removed from the room and the occurrence reported to the Commissioner. Candidates will, however, be allowed the use of mathematical instruments for drawing figures or ruling lines.

(7) Candidates whose names are not in the printed list furnished to the Superintendent must submit a written declaration through the Superintendent, giving full particulars in regard to themselves *including their address* and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(8) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

(9) Any answer paper sent up without the candidate's name and number affixed will not be valued.

(10) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(11) Candidates are forbidden to tear up papers or to throw ink or papers on the floor. All "spoilt copies, etc.," should be left on the desk where the candidate has been writing.
